Good afternoon Lucinda, Suzanne, Frank and Carla—attached, please find the final draft of Frank's PA Phase 3 WIP Kickoff report. You will find that we made very few changes to the first few pages, as we felt they were accurate and complete. For the breakout sessions, we reached out to every session leader to ask for their feedback on the notes compiled and received edits and clarifications from each session leader, which have been added to this report.

We are submitting the report for final approval from both parties—UVA and EPA, so that we can provide it to our PA WIP Steering Committee at next week's monthly meeting. If we can finalize this draft in the next couple of days, we will provide it to them in final format; if not, we can keep the DRAFT watermark on it. We'd prefer to provide final format, but also appreciate your schedules.

I look forward to hearing from you in the next couple days re: finalizing or providing the report in draft format as you conduct your final review.

Thanks so much--  
Kristen
